GCA Labs is an ISO/IEC 17025:2017 accredited laboratory A2LA (Certificate # 5611.01) and operates in compliance with all applicable Missouri state laws (19 CSR 30-95). GCA Labs may use a Non-Binary Decision Rule to account for uncertainty of measurement within the results and what is reported as Pass/Fail. This analysis indicates that a statistically representative, random sampling of the product has been analyzed, and the results refer to the analysis at the time of sample collection only and only the presences of the tested compounds. GCA Labs makes no claims as to efficacy, safety, shelf-life, or other risks associated with detected or non-detected compounds within this report. All client communications and testing results are considered confidential; this report should not be reproduced without prior written approval.
